To the Shareholders

Dear Sir/Madam,

**(1) PROPOSED REDUCTION OF
THE AUTHORISED SHARE CAPITAL OF THE COMPANY**

**(2) PROPOSED RENEWAL OF
THE SHARE CAPITAL AUTHORISATION OF THE COMPANY**

(3) PROPOSED AMENDMENT TO THE ARTICLES OF THE COMPANY

AND

(4) NOTICE OF EXTRAORDINARY GENERAL MEETING

1. INTRODUCTION

The purpose of this circular is to provide Shareholders with information in respect of the special resolution to be proposed at the Extraordinary General Meeting relating to (i) the proposed reduction of the authorised share capital of the Company, (ii) the proposed renewal of the share capital authorisation of the Company and (iii) the proposed amendment to the Articles to give effect to the foregoing and to give notice of the Extraordinary General Meeting.

LETTER FROM THE BOARD

2. PROPOSED REDUCTION OF THE AUTHORISED SHARE CAPITAL OF THE COMPANY

The Company's authorised share capital, as set out in Article 4.2 of the Articles, is set, including the subscribed share capital, at US\$1,012,800,369.99, representing 101,280,036,999 Shares.

As of the Latest Practicable Date, the issued and paid-up share capital of the Company is US\$14,098,435.53, representing 1,409,843,553 Shares.

The Board proposes to seek the approval of the Shareholders to reduce the authorised share capital of the Company from US\$1,012,800,369.99, representing 101,280,036,999 Shares (including the subscribed share capital), to US\$35,000,000, representing 3,500,000,000 Shares (including the subscribed share capital) (such reduction, the **"Reduced Authorised Share Capital"**).

The Board considers that the existing authorised share capital of the Company, which has been in effect since May 12, 2011, substantially exceeds the needs of the Company and the Reduced Authorised Share Capital would be in the interests of the Company and the Shareholders as a whole, after taking into consideration (a) the existing issued and subscribed share capital of the Company and (b) the maximum number of Shares which may be issued pursuant to the Issuance Mandate (as defined below) and pursuant to the vesting or exercise of share awards granted or to be granted pursuant to the Share Award Scheme.

The Board considers that the proposed Reduced Authorised Share Capital would be in line with good corporate governance practice of international companies because the issued and subscribed Shares would represent approximately 40% of the Reduced Authorised Share Capital (including the subscribed share capital).

3. PROPOSED RENEWAL OF THE SHARE CAPITAL AUTHORISATION OF THE COMPANY

(a) Requirements under the Luxembourg Companies Law

Under the Luxembourg Companies Law, any increase in the share capital of the company must be approved by the shareholders of the company.

Shareholders of a public limited liability company (*société anonyme*) may grant authorisation to the board of directors of the company to increase the share capital of the company, subject to any conditions set out in the articles of incorporation of the company, and such authorisation is valid only for a period of up to five years and may be renewed for a further period of up to five years by the approval of the shareholders of the company.

LETTER FROM THE BOARD

(b) Share Capital Authorisation

Article 4.2 of the Articles provides that subject to compliance with the Listing Rules and Luxembourg Companies Law, during the period of five years from the date of the publication of the creation or amendment of the authorised share capital by general meeting, the Board is authorised to issue Shares, to grant options to subscribe for Shares and to issue any other securities or instruments convertible into Shares, to such persons and on such terms as it shall see fit and specifically to proceed to such issue without reserving for the existing Shareholders a preferential right to subscribe for the issued Shares (the “**Share Capital Authorisation**”).

The Share Capital Authorisation that is currently in effect will expire on May 11, 2016, which is the end of the currently effective five-year period referred to in Article 4.2 of the Articles.

Shareholders should note that the Share Capital Authorisation is not a general authorisation from the Shareholders to the Board to allot, issue or deal with Shares but is simply an authorisation required in accordance with the requirements of the Luxembourg Companies Law. Any issue of Shares, grant of options to subscribe for Shares or issue of any other securities or instruments convertible into Shares pursuant to the Share Capital Authorisation is, and pursuant to the Renewed Share Capital Authorisation (as such term is defined below) will still be, subject to the restrictions set out in the Articles, the Luxembourg Companies Law and the Listing Rules (as further described below).

(c) Proposed Renewal of the Share Capital Authorisation of the Company

As the existing Share Capital Authorisation will expire on May 11, 2016, the Board proposes to seek the approval of the Shareholders to renew the Share Capital Authorisation for an additional five years with effect on and from May 11, 2016 (such renewal, the “**Renewed Share Capital Authorisation**”). The Renewed Share Capital Authorisation simply extends, for an additional five years, the existing Share Capital Authorisation; provided that, if approved, the maximum number of Shares that may be issued and subscribed at any time will be limited to the Reduced Authorised Share Capital.

Shareholders’ Protections in relation to the Share Capital Authorisation

The Listing Rules and the Articles contain provisions which restrict the ability of the Company to increase its issued share capital pursuant to the Share Capital Authorisation without the approval of the Shareholders. The purpose of these provisions is to protect the Shareholders against a potential dilution of their shareholding interest in the Company. These Shareholders’ protections are summarised below.

Under the Articles, the Share Capital Authorisation is expressly subject to compliance with the Listing Rules and the Luxembourg Companies Law.

Under the Luxembourg Companies Law and the Articles, the Share Capital Authorisation is valid for a maximum period of five years and the approval of the Shareholders is required for its renewal at the end of the five-year period.

LETTER FROM THE BOARD

Under the Listing Rules and the Articles, the Board may not issue Shares, grant options to subscribe for Shares or issue any other securities or instruments convertible into Shares under the Share Capital Authorisation without the approval of Shareholders, except pursuant to:

- (a) a Rights Issue;
- (b) the Share Award Scheme;
- (c) the general mandate to allot, issue or deal with additional Shares granted by the Shareholders to the Board at the annual general meeting of the Company (the “**Issuance Mandate**”);
- (d) any scrip dividend scheme or similar arrangement providing for the allotment of Shares in lieu of the whole or part of a dividend on Shares of the Company in accordance with the Articles; or
- (e) a specific authority granted by the Shareholders in general meeting.

Under the Listing Rules, a Rights Issue will not require the specific approval of Shareholders except where the proposed Rights Issue would increase either (i) the number of issued Shares or (ii) the market capitalisation of the Company by more than 50% (on its own or when aggregated with any other Rights Issues or open offers announced by the Company), within the 12-month period immediately preceding the announcement of the proposed Rights Issue or prior to such 12-month period where dealing in respect of the Shares issued pursuant thereto commenced within such 12-month period.

The Share Award Scheme was approved and adopted by the Shareholders on September 14, 2012 and as part of such approval, the Board was authorised to allot and issue Shares pursuant to the vesting or exercise of the share awards granted. The Company first granted options under the Share Award Scheme on January 8, 2013. As of the Latest Practicable Date, options exercisable for 48,963,433 Shares were outstanding under the Share Award Scheme. The purpose of the Share Award Scheme is to attract skilled and experienced personnel, to incentivise them to remain with the Group and to motivate them to strive for the future development and expansion of the Group by providing them with the opportunity to acquire Shares in the Company. The options that have been granted by the Company pursuant to the Share Award Scheme comprise the long-term incentive component of the Group’s compensation strategy for its executives and other management personnel. Because the grantees of options granted under the Share Award Scheme will only be able to realise value from the options to the extent the Company’s Shares have appreciated in value at the time such options become vested and exercisable (generally over a four or five-year vesting period), the Board believes the incentives of the Group’s executives and management personnel to whom options have been granted are well-aligned with the interests of the Company’s Shareholders.

The existing Issuance Mandate granted the Board the authority to issue, subject to the terms thereof, 140,953,224 Shares, representing 10% of the total issued share capital of the Company as of the date of the annual general meeting held on June 4, 2015, and at an issue price which does not represent a discount of more than 10% to the Benchmarked Price of the Shares. As of the Latest Practicable Date, no Shares have been issued under the existing Issuance Mandate. The existing Issuance Mandate expires at the next annual general meeting of the Company, which will be held on June 2, 2016. Shareholders should note that the terms of the existing Issuance Mandate are more restrictive than the requirements of the Listing Rules, which permit a general mandate granted to the directors to issue shares to not exceed 20% of the total issued share capital of the company and an issue price which does not represent a discount of more than 20% to the Benchmarked Price of the shares of the company.

LETTER FROM THE BOARD

The proposed Renewed Share Capital Authorisation, if approved by Shareholders, will be subject to the same restrictions as described above in relation to the ability of the Company to increase its issued share capital.

Consequences of the Share Capital Authorisation Not Being Renewed

If the proposed Renewed Share Capital Authorisation is not approved at the Extraordinary General Meeting, after May 11, 2016 the Board will not be permitted under the Luxembourg Companies Law to (a) issue Shares pursuant to the exercise of share awards that are then outstanding pursuant to the Share Award Scheme and (b) issue Shares, grant options to subscribe for Shares and issue any other securities or instruments convertible into Shares pursuant to the Issuance Mandate or any future approval that may be granted by the Shareholders to the Board in general meeting. The Board considers that this would, in particular, undermine the purpose of the Share Award Scheme and eliminate the long-term incentive for executives and management under such share awards, and would therefore be detrimental to the Company and the Shareholders. In addition, this would restrict the Company's flexibility to issue Shares for other purposes pursuant to the Issuance Mandate.

4. PROPOSED AMENDMENT TO THE ARTICLES OF THE COMPANY

In order to give effect to the proposed Reduced Authorised Share Capital and the proposed Renewed Share Capital Authorisation, the Board also proposes to seek the approval of the Shareholders to amend accordingly Article 4.2 of the Articles which shall be read as set forth in the attached notice of Extraordinary General Meeting (such amendment, the “**Amendment to the Articles**”). If approved, the Amendment to the Articles will simply reflect in the Articles the proposed Reduced Authorised Share Capital and the proposed Renewed Share Capital Authorisation.

5. RECOMMENDATION

The Directors consider the proposed Reduced Authorised Share Capital, the proposed Renewed Share Capital Authorisation for an additional five years, and the proposed Amendment to the Articles to be in the interests of the Company and the Shareholders as a whole.

Accordingly, the Directors recommend the Shareholders to vote in favour of the special resolution to be proposed at the Extraordinary General Meeting.

6. EXTRAORDINARY GENERAL MEETING AND PROXY ARRANGEMENT

The notice of the Extraordinary General Meeting is set out on pages 9 to 11 of this circular.

Together with this circular, the Shareholders will receive a copy of the report drawn up by the Board in accordance with Article 32-3 (5) of the Luxembourg Companies Law justifying the reasons for the proposed Reduced Authorised Share Capital, the proposed Renewed Share Capital Authorisation with the authority for the Board to limit or withdraw the preferential subscription rights of the Shareholders when issuing the Company's new Shares and the proposed Amendment to the Articles.

All Shareholders will be entitled to vote on the special resolution to be proposed at the Extraordinary General Meeting. Pursuant to the Listing Rules and Article 13.5 of the Articles, any vote of Shareholders at a general meeting must be taken by poll. An announcement on the poll vote results will be published by the Company after the Extraordinary General Meeting in the manner prescribed under Rule 13.39(5) of the Listing Rules.

LETTER FROM THE BOARD

A form of proxy for use at the Extraordinary General Meeting is enclosed with this circular and such form of proxy is also published on the websites of Hong Kong Exchanges and Clearing Limited (<http://www.hkexnews.hk>) and the Company (www.samsonite.com). To be valid, the form of proxy must be completed and signed in accordance with the instructions printed thereon and deposited at the Company's branch share registrar in Hong Kong, Computershare Hong Kong Investor Services Limited, at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong or to the Company's registered office at 13–15 Avenue de la Liberté, L-1931 Luxembourg as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the Extraordinary General Meeting or any adjournment thereof.

Completion and return of the form of proxy will not preclude Shareholders from attending and voting in person at the Extraordinary General Meeting if they so wish.

Yours faithfully,
For and on behalf of the Board
Timothy Charles Parker
Chairman
